CHAPTER _____

An act to amend Section 810 of the Business and Professions Code, relating to professions and vocations.

LEGISLATIVE COUNSEL'S DIGEST

SB 359, Figueroa. Professions and vocations.

Existing law provides that it is grounds for disciplinary action, including suspension or revocation of a license or certificate, for health care professionals to engage in various fraudulent activities such as presenting a false insurance claim.

This bill would require various medical services boards to convene disciplinary hearings to suspend, revoke, or take other action regarding a license or certificate if the licensee or certificate holder has been convicted of any felony involving fraud committed in conjunction with providing benefits covered by worker's compensation insurance.

This bill would incorporate additional changes in Section 810 of the Business and Professions Code proposed by AB 746 and AB 747 that would become operative only if AB 746, AB 747, and this bill are enacted and become effective on or before January 1, 2004, or either AB 746 or AB 747 and this bill are enacted and become effective on or before January 1, 2004, and this bill is enacted last.

The people of the State of California do enact as follows:

SECTION 1. Section 810 of the Business and Professions Code is amended to read:

810. (a) It shall constitute unprofessional conduct and grounds for disciplinary action, including suspension or revocation of a license or certificate, for a health care professional to do any of the following in connection with his or her professional activities:

(1) Knowingly present or cause to be presented any false or fraudulent claim for the payment of a loss under a contract of insurance.

(2) Knowingly prepare, make, or subscribe any writing, with intent to present or use the same, or to allow it to be presented or used in support of any false or fraudulent claim.

(b) It shall constitute cause for revocation or suspension of a license or certificate for a health care professional to engage in any conduct prohibited under Section 1871.4 of the Insurance Code or Section 550 of the Penal Code.

(c) (1) It shall constitute cause for automatic suspension of a license or certificate issued pursuant to Chapter 4 (commencing with Section 1600), Chapter 5 (commencing with Section 2000), Chapter 6.6 (commencing with Section 2900), Chapter 7 (commencing with Section 3000), or Chapter 9 (commencing with Section 4000), or pursuant to the Chiropractic Act or the Osteopathic Act, if a licensee or certificate holder has been convicted of any felony involving fraud committed by the licensee or certificate holder in conjunction with providing benefits covered by worker's compensation insurance. The board shall convene a disciplinary hearing to determine whether or not the license or certificate shall be suspended, revoked, or some other disposition shall be considered, including, but not limited to, revocation with the opportunity to petition for reinstatement, suspension, or other limitations on the license or certificate as the board deems appropriate.

(2) It shall constitute cause for automatic suspension and for revocation of a license or certificate issued pursuant to Chapter 4 (commencing with Section 1600), Chapter 5 (commencing with Section 2000), Chapter 6.6 (commencing with Section 2900), Chapter 7 (commencing with Section 3000), or Chapter 9 (commencing with Section 4000), or pursuant to the Chiropractic Act or the Osteopathic Act, if a licensee or certificate holder has more than one conviction of any felony arising out of separate prosecutions involving fraud committed by the licensee or certificate holder in conjunction with providing benefits covered by worker's compensation insurance. The board shall convene a disciplinary hearing to revoke the license or certificate and an order of revocation shall be issued unless the board finds mitigating circumstances to order some other disposition.

(3) It is the intent of the Legislature that paragraph (2) apply to a licensee or certificate holder who has one or more convictions prior to January 1, 2004, as provided in this subdivision.

(4) Nothing in this subdivision shall preclude a board from suspending or revoking a license or certificate pursuant to any other provision of law.

(5) “Board,” as used in this subdivision, means the Dental Board of California, the Medical Board of California, the Board of Psychology, the State Board of Optometry, the California State Board of Pharmacy, the Osteopathic Medical Board of California, and the State Board of Chiropractic Examiners.

(6) “More than one conviction,” as used in this subdivision, means that the licensee or certificate holder has one or more convictions prior to January 1, 2004, and at least one conviction on or after that date, or the licensee or certificate holder has two or more convictions on or after January 1, 2004. However, a licensee or certificate holder who has one or more convictions prior to January 1, 2004, but who has no convictions and is currently licensed or holds a certificate after that date, does not have “more than one conviction” for the purposes of this subdivision.

(d) As used in this section, health care professional means any person licensed or certified pursuant to this division, or licensed pursuant to the Osteopathic Initiative Act, or the Chiropractic Initiative Act.

SEC. 1.5. Section 810 of the Business and Professions Code is amended to read:

810. (a) It shall constitute unprofessional conduct and grounds for disciplinary action, including suspension or revocation of a license or certificate, for a health care professional to do any of the following in connection with his or her professional activities:

(1) Knowingly present or cause to be presented any false or fraudulent claim for the payment of a loss under a contract of insurance.

(2) Knowingly prepare, make, or subscribe any writing, with intent to present or use the same, or to allow it to be presented or used in support of any false or fraudulent claim.

(b) It shall constitute cause for revocation or suspension of a license or certificate for a health care professional to engage in any conduct prohibited under Section 1871.4 of the Insurance Code or Section 550 of the Penal Code.

(c) (1) It shall constitute cause for automatic suspension of a license or certificate issued pursuant to Chapter 4 (commencing with Section 1600), Chapter 5 (commencing with Section 2000), Chapter 6.6 (commencing with Section 2900), Chapter 7

(commencing with Section 3000), or Chapter 9 (commencing with Section 4000), or pursuant to the Chiropractic Act or the Osteopathic Act, if a licensee or certificate holder has been convicted of any felony involving fraud committed by the licensee or certificate holder in conjunction with providing benefits covered by worker's compensation insurance, or has been convicted of any felony involving Medi-Cal fraud committed by the licensee or certificate holder in conjunction with the Medi-Cal program, including the Denti-Cal element of the Medi-Cal program, pursuant to Chapter 7 (commencing with Section 14000), or Chapter 8 (commencing with Section 14200), of Part 3 of Division 9 of the Welfare and Institutions Code. The board shall convene a disciplinary hearing to determine whether or not the license or certificate shall be suspended, revoked, or some other disposition shall be considered, including, but not limited to, revocation with the opportunity to petition for reinstatement, suspension, or other limitations on the license or certificate as the board deems appropriate.

(2) It shall constitute cause for automatic suspension and for revocation of a license or certificate issued pursuant to Chapter 4 (commencing with Section 1600), Chapter 5 (commencing with Section 2000), Chapter 6.6 (commencing with Section 2900), Chapter 7 (commencing with Section 3000), or Chapter 9 (commencing with Section 4000), or pursuant to the Chiropractic Act or the Osteopathic Act, if a licensee or certificate holder has more than one conviction of any felony arising out of separate prosecutions involving fraud committed by the licensee or certificate holder in conjunction with providing benefits covered by worker's compensation insurance, or in conjunction with the Medi-Cal program, including the Denti-Cal element of the Medi-Cal program pursuant to Chapter 7 (commencing with Section 14000), or Chapter 8 (commencing with Section 14200), of Part 3 of Division 9 of the Welfare and Institutions Code. The board shall convene a disciplinary hearing to revoke the license or certificate and an order of revocation shall be issued unless the board finds mitigating circumstances to order some other disposition.

(3) It is the intent of the Legislature that paragraph (2) apply to a licensee or certificate holder who has one or more convictions prior to January 1, 2004, as provided in this subdivision.

(4) Nothing in this subdivision shall preclude a board from suspending or revoking a license or certificate pursuant to any other provision of law.

(5) “Board,” as used in this subdivision, means the Dental Board of California, the Medical Board of California, the Board of Psychology, the State Board of Optometry, the California State Board of Pharmacy, the Osteopathic Medical Board of California, and the State Board of Chiropractic Examiners.

(6) “More than one conviction,” as used in this subdivision, means that the licensee or certificate holder has one or more convictions prior to January 1, 2004, and at least one conviction on or after that date, or the licensee or certificate holder has two or more convictions on or after January 1, 2004. However, a licensee or certificate holder who has one or more convictions prior to January 1, 2004, but who has no convictions and is currently licensed or holds a certificate after that date, does not have “more than one conviction” for the purposes of this subdivision.

(d) As used in this section, health care professional means any person licensed or certified pursuant to this division, or licensed pursuant to the Osteopathic Initiative Act, or the Chiropractic Initiative Act.

SEC. 2. Section 1.5 of this bill incorporates amendments to Section 810 of the Business and Professions Code proposed by this bill, AB 746, and AB 747. It shall only become operative if (1) all three bills are enacted and become effective on or before January 1, 2004, or both this bill and AB 746 or AB 747 are enacted and become effective on or before January 1, 2004, (2) each bill amends Section 810 of the Business and Professions Code, and (3) this bill is enacted last, in which case Section 1 of this bill shall not become operative.
